

■ Angelique International Limited

The most trusted EPC Company from India

Ajay Krishna Goyal, President & Managing Director

By Our Correspondent

The role of Engineering Procurement Construction (EPC) companies in national economic development is unprecedented. Both the public and private sectors rely on EPC companies to overcome complexities of construction of diversified nature of projects, right from concept to completion.

An EPC firm worth mentioning here is the ISO 9001:2008, ISO 14001:2004, and OHSAS 18001:2007 certified "Angelique International Limited" - based in Delhi/Noida. Incorporated in 1996, the company is nearing US\$ 300 million business turnover with operations are focused on:

- Multilateral funding - by International financial institutions viz. World Bank, Asian Development Bank, African Development Bank, and United Nations by way of tenders
- Bilateral Line of Credits extended by Government of India - through Export Import Bank of India
- Buyer's own funds

The firm sets up projects on total turnkey basis covering feasibility studies, design, engineering,

procurement, supply, installation, training and trial runs. Angelique has major presence in over 25 countries in Africa and in addition has also undertaken projects in South & South East Asia, Middle East and Latin America. Angelique has 19 offices outside India.

Angelique has been serving the developing economies in following Core Sectors -

- **Power** - Generation, Transmission, Distribution, Rural electrification and Renewable Energy viz. Solar & Hydropower
- **Water** - Storage Reservoirs, Public Water Supply, Pumping Stations, Waste Water treatment
- **Irrigation and Agriculture** - Canal & Sprinkler Irrigation schemes, Farm Mechanization, Tractor Assembly Plants and Agro Processing projects
- **Industrial Projects** - Textile, Railways, Sugar, Oil & Gas,

Telecom, IT, Industrial Parks and Workshops

- **Social Infrastructure** - Education, Health, Transport & Low Cost Housing

Of the above, Power sector accounts for over 60% of Angelique's business and Africa accounts for more than 2/3rd of the projects set up so far. In the last 10 years, some of the salient signature projects of Angelique have been as follows -

- Hydropower Projects - Rwanda, Burundi, DR Congo & Lao PDR
- HV/EHV Power Transmission Lines in Cote d'Ivoire, Mali, Lao PDR & Nepal
- Grid & Solar based Rural Electrification in Senegal, Sierra Leone, Mozambique, Ethiopia, Rwanda, Mali, Guinea, Togo, Ghana, Zimbabwe, Angola & Cameroon
- Tractor Assembly Plants in Mali, Chad & Benin
- Textile Spinning Mill & Industrial Park in Angola
- Public Drinking Water projects in Sierra Leone & Equatorial Guinea

- Irrigation & Agriculture projects in Cameroon, Sierra Leone, Mali & Cambodia
- Information Technology Park in Swaziland
- Thermal Power Generation in Burundi, Mali & Montserrat

"The Company is poised to cross the US\$ 500 million mark in the next three years. We have received a lot of appreciation from our clients in India and abroad for the commitment of our performance and the quality of our services" says the dynamic Mr. Ajay Krishna Goyal, President and Managing Director of Angelique.
